

# TOWERGATE FIRSTCALL FOR WHEN SPEED MATTERS

The faster an incident is reported, the easier it is to stop claim costs spiralling.

## SPOT THE DIFFERENCE:

\* Figures based on Allianz chart for extra costs incurred on late reporting.

When you spot the difference that even a 10-day delay in reporting a claim could make on claims costs, your annual insurance premium and your P&L, you'll be glad you started using the Towergate FirstCall App.

#### Save Time, Save Money

- Suitable for car, van or HGV claims notifications
- Incidents reported from roadside by drivers
- Claims notified immediately to insurers - no need for a claim report.
- Claims notified immediately to nominated contacts at the client - no waiting for calls or emails.
- Images taken at the scene are sent with the report
- Rapid reporting reduces 3rd party repairs / hire costs on fault claims.
- No need to notify Towergate - an incident is set up automatically on the Towergate system. Our dedicated claims handlers are alerted immediately, enabling them to provide client support from the outset
- No need for vehicle accident packs

#### Towergate FirstCall is the first fully integrated app of this nature to be developed:

- Because we know delays in reporting increase the cost of claims which drive up your premium
- Because we know companies who report claims rapidly are viewed more favourably by insurers
