

Stranded Passenger

Don't kick your heels,
put your feet up!

However well you've planned your trip, sometimes things are simply out of your control. Delayed or cancelled flights are unfortunate but it doesn't make them any less frustrating.

The good news is we'll help to ease the strain.

As one of our policyholders, you have access to a network of more than 1200 executive lounges at airports around the world. If your flight is delayed by more than 2 hours, we automatically send an access code to your phone so you can take advantage of the facilities, with our compliments, whilst you wait.

All you need to do is to take a couple of minutes to register your flight and passenger details before you check in. You'll find access details with your policy documentation.

Isn't it nice to know you're being looked after?
